* McCormick Exterior Flat Acrylic Latex House Paint - White #19100 Super White

** McCormick Exterior Lustre Acrylic Latex House Paint

Note 2: Using any of the above materials / colors does not require submittal of an Architectural Change Form nor approval from the Architectural Review Board (ARB), but must match your current color scheme.

Note 3: White and Black paint can be purchased from any other manufacturers, but needs to match the white hue within the brand pictured above. If this is in compliance it does not require approval by the Architectural Review Board.

Note 4: All other paint colors, siding, bricks, and shingles can be other brands, but MUST BE approved by the Architectural Review Board. Please submit the proposed paint chip, sample, etc. with the Standard Architectural Change Form.

Note 5: The above colors schemes may not represent the exact combination of colors on an individual home, but retaining the original colors are required.
